Thank you for applying to The Reserve at Lake Keowee Community Foundation

For office use only: Date Received _____

THE RESERVE AT LAKE KEOWEE
Community Foundation
ENVIRONMENT • ARTS • OUTREACH • EDUCATION

Thank you for your interest in the Visiting Artist/Lecturer series of The Reserve at Lake Keowee Community Foundation. The Foundation has been welcoming a variety of artists to our community for over 9 years.

Visiting artists to The Reserve are offered the opportunity to showcase their work in Founder's Hall, located on The Reserve. During their exhibit, the artists are introduced to Reserve Residents and local community members. Workshops by the artists, when appropriate, are welcome. Workshops are generally one day, and are held at a location appropriate to the workshop needs.

Applications for visiting lecturers, naturalists, theater, and music are welcome. Venues for programs vary from the formal Founders Hall, to fireside chats in the Clubhouse. Some events are held at various outside locations within The Reserve at Lake Keowee grounds.

Please submit the application for consideration into our program. Please be sure to complete the application form and attach all necessary paperwork for review by The Reserve at Lake Keowee Community Foundation's vetting committee. All artists will receive an acceptance or decline letter once their work is reviewed.

Please submit your application/information to:
